No. CWC/ICD-PPG/Trade Notice/2017-18

Dated: 19.01.2018

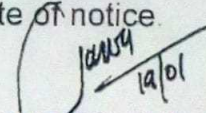

TRADE NOTICE

Sub: Mandatory exit of vehicles bringing in Export Cargo for Carting and Empty vehicles coming in for import delivery – reg:

It is informed to all concerned that in order to reduce the congestion inside ICD-PPG premises, it has been decided that all vehicles bringing in Export Cargo for Carting and Empty vehicles coming in for taking delivery of Import Cargo shall exit the ICD-PPG premises without fail immediately after the offloading and onloading operations are completed in case of Export & Import consignments respectively.

All the commercial vehicles entering ICD-PPG premises for export/import operations shall exit the premises within first half hour from the time of issue of gate pass by the concerned Godown Incharges. In case of any delay beyond permissible time limit of first half hour from the time of issue of gate pass, OT charges shall be deducted from the account of concerned CHA/Importer/Exporter for every additional hour as per the rates in effect.

The above measure shall come in force with immediate effect from the date of notice
